

Fabco TC-142 Transfer case Parts Manual

Pro Gear and Transmission presents Fabco TC-142 transfer case parts manual to assist in identifying the parts for your Fabco unit.

If you need any assistance identifying the correct transfer case unit for your truck and equipment, contact your Fabco replacement part specialists at Pro Gear and Transmission.

Pro Gear stocks every part for your Fabco transfer case including: transfer case housings, shafts, gaskets, caps, brackets, plugs, shims and much more.

Pro Gear Transmission has same day shipping and 1000's of products in stock and ready to ship internationally for your next project.

For parts or service contact the Fabco specialists at Pro Gear & Transmission, Inc.

TO USE THIS ILLUSTRATED PARTS SECTION

1. Refer to the figures which illustrate the needed part.
2. Find the required part and note the item number and quantity.
3. Locate the item number in the parts list section for the required part number and description.

NOTE: When ordering parts, specify transfer case model number, part number, serial number or other information that is on the Fabco nameplate located on the transfer case housing.

Part numbers contained in this manual were in effect at the time the manual was approved for printing and are subject to change without notice or liability. Fabco Automotive Corporation reserves the right to change parts at anytime.

USE ONLY GENUINE FABCO PARTS

FOOTNOTES:

1. Verify correct part number etched on the gear. Caution: if one gear is replaced, others may also need replacement to retain compatibility. Contact Fabco Engineering for technical assistance.
2. Select one bearing spacer, see section 6.7 of service manual.
3. Select shim pack, see section 6.5 of service manual.
4. Select shims, see section 6.8 of service manual.
5. Select one bearing spacer, see section 6.3 of service manual.
