

Fabco TC-180 Transfer case Parts Manual

Pro Gear and Transmission presents Fabco TC-180 transfer case parts manual to assist in identifying the parts for your Fabco unit.

If you need any assistance identifying the correct transfer case unit for your truck and equipment, contact your Fabco replacement part specialists at Pro Gear and Transmission.

Pro Gear stocks every part for your Fabco transfer case including: transfer case housings, shafts, gaskets, caps, brackets, plugs, shims and much more.

Pro Gear Transmission has same day shipping and 1000's of products in stock and ready to ship internationally for your next project.

For parts or service contact the Fabco specialists at Pro Gear & Transmission, Inc.

TO USE THIS PARTS MANUAL

1. Refer to the exploded view which illustrates the needed part.
2. Find the required part in the exploded view and then note the item number.
3. Locate the item number in the parts list for part number, description and quantity.

NOTE: When ordering parts, specify model number, part number, serial number or other information that is on the Fabco nameplate located on the transfer case housing.

Contact Fabco if your configuration does not match parts in this manual.

Part numbers contained in this manual were in effect at the time the manual was approved for printing and are subject to change without notice or liability. Fabco Division reserves the right to change parts at any time.
